EarthPRO Radial 850 has a modern multi-angled lug design which makes it suitable for on & off-road applications. This pattern offers good traction and self-cleaning during field operations and drive comfort during on-road use. Superior compound provides high resistance to cut growth. The wide nose bar & central overlapping of lugs help in delivering even wear, resulting in a longer life.

Distributor:

With presence in 120 countries, across 6 continents, ATG specializes in the development, manufacturing and sale of Off-Highway Tires. One of the fastest growing companies in the segment, ATG has a wide range of offerings for Agricultural, Forestry, Industrial and OTR tires and three world-renowned brands – Alliance, Galaxy and Primex. ATG's mission is to deliver superior value to their customers through focus on innovation, technology and cost-efficient manufacturing and distribution practices. ATG is a fully owned subsidiary of The Yokohama Rubber Company, Japan.
